

List of certified Operators 2011/2012, last update: 20.01.2012

Countries within the European Union: According to EU Regulation (EC) 834/2007 and EU Regulation (EC) 889/2008
Third Countries outside the European Union: Equivalent to EU Regulation (EC) 834/2007 and EU Regulation (EC) 889/2008

This list has only an orientating character. Legally valid is only the current operators' certificate.
Please note that certifications are generally valid until the following year's certification.
If you have questions about an operators' certification status, please contact imo@imo.ch
