List of IMOswiss AG certified Operators 2014 and/or 2015 Last update: 21.01.2016

Countries within the European Union: According to EU Regulation (EC) N° 834/2007 and EU Regulation N° (EC) 889/2008
Third Countries outside the European Union: Equivalent to EU Regulation (EC) N° 834/2007 & EU Regulation (EC) N°889/2008

This list has only an orientating character. Legally valid is only the current operators' certificate.
Please note that certifications are generally valid until the following year's certification.
If you have any further questions on operators certification status or on suspended and decertified operators and products please contact eu@imo.ch
